Sir,

I, the undersigned, beg the Government of His Highness the Maharaja of Mysore to graciously send me on deputation in May 1920 under rules I. of Government order No. G.11262-310-G.M.369-14-2 dated 19th April 1915 regarding the deputation of officers to Foreign countries.

I intend to study further, Municipal and Local Fund administration, a subject that is now receiving so much attention all over civilised countries in general and India in particular.

The Government of India have also deputed officers from the Indian Civil Service, in different Provinces, to study the question in England.

I may be permitted to mention here that this subject has always been my hobby and a course of studies in the London school of Economics, which has got a special seat for Municipal and Local administration, with a tour in all the important cities and country parts of England and Europe will help me a good deal to master the subject.

As arrangements have to be made from a very early date, if Government are pleased to approve of my deputation, may I request you to kindly submit this memorial to Government at your earliest convenience and to

let me know their decision?

I have the honour to be,

Sir,

Your mostobedient servant,
